

Where to purchase Sanitary towel/ tampon vending machines in East Africa

Posted by Doreen - 13 Nov 2012 12:29

Dear Colleagues,

I hope you are all well.

Does anyone know where one can buy sanitary towel/tampon vending machine in East Africa (particularly Kenya) on a large scale? I have been approached by some people in the private sector regarding this who would like to install them in offices, organisations etc.

Thanks and best regards,

Doreen
