

## bioremediation in waste watertreatment

Posted by fppirco - 02 Jan 2013 13:15

---

Hi,all

First of all ,I wish happiness and suces for all of you and family in 2013.

I wuold like know any one in Susan Forum has experinces about bioremeation and waste water treatment and its application in santation in greywater and blackwater as well as.

It will be appericiate forward or linking me to any person or oragainsation.

Happy new year again.

Mohammad Mojtabaei
